UPDATE ON DR. TOM WILLIAMS

*Dear Friends,
Dr. Williams received the report from the wound specialist that he saw in Oklahoma City that his wounds are more extensive than we were understanding and that the hyperbaric treatments alone would not take care of the problem. She gave us a couple options to take; however, Dr. Williams responded that he needed to go and pray and ask the Lord what He wanted him to do. The Lord led him to call for the elders to anoint and pray for him as the book of James directs us to do when any is sick among us. Tuesday, October 22nd, some pastors assembled around him, anointed him, and prayed for his healing. We began the drive home Wednesday, October 23rd, believing God to bring full healing. We arrived home Thursday, October 24th. We are waiting on the Lord, believing Him and His Word. Dr. Williams is a bit stronger now than he was in Oklahoma City the last day we were there. The Lord be praised!
In Christ's Love,
Tom Williams Ministries*
